6.2 Bug Report:

Name: Shay

Titel: In the "שיתוף" button additional sharing options are not available.

Severity: Low

Description: The sharing option with other apps  is not correct, instead of opening sharing options with other apps except Facebook and Twitter, the video opens on YouTube.

Steps:

1. Open "סינמה סיטי" website.
2. Select a movie from the home page.
3. Click on .
4. Click on   in the movie trailer.
5. Click on .

Expected Result: More apps to share will show.

Actual Result: When pressed   this sends us to the movie trailer on YouTube, additional apps for sharing did not show.
